Mille mercis! J'ai été très heureux de pouvoir lire le livret de Don Giovanni écrit par Da Ponte pour Mozart. En revanche, j'ai été surpris de ne pas trouver le livret de Norma de Bellini par Felice Romani.

Vi ringrazio per il dono del vostro sito; per me che ascolto musica mentre studio, leggo o appronto testi teatrali per gli studenti i libretti, sempre bellissimi malgrado certa sciocca fama, sono una fonte indispensabile. Grazie ancora e moltissimi auguri.

Wonderful, although one error I would cite: Maeterlinck did not write the libretto for Pelleas et Melisande. DEBUSSY did. This is a common misconception. I suspect the same is true of Ariane et Barbe-Bleu.

Félicitations pour ce site clair et complet. Décidément internet regorge de trésors. Par ailleurs, je suis à la recherche du livret français de l'opera Chushingura composé par Saegusa Shigeaki. Ce livret est de Shimada Masahiko. Vous serait-il possible de me le trouver?
