Nous en sommes toujours à une situation où, comme l'avait bien vu Paul Hindemith, la fréquentation de l'opéra est réservée à des milieux auxquels précisément les opéras ne s'adressent pas. En permettant à un vaste public d'avoir accès aux livrets, votre site contribue à la démocratisation de la connaissance d'une forme d'art qui, depuis le début du 17e siècle, joue un rôle central dans l'histoire de la culture européenne."
